Peaceful Valley Donkeys Have Arrived!

We received this year's shipment of Peaceful Valley rescue donkeys at the end of May. This is a group of young, friendly donkeys and we've been getting to know them.

If you are interested in adopting one of these guys, go to the Peaceful Valley page on our website and follow the link to the PVDR adoption application. The PVDR folks will handle the adoption paperwork and let us know when you have been approved.

If you'd like to meet the donkeys in person, please schedule a time by emailing wingsprograms@live.com after your adoption application has been approved.

Wings Events - We've Been Busy!

Mule Days was a lot of fun! If you were able to get to the fairgrounds June 2-4, you may have seen our booth and our donkeys Louise, Zoe and Gracie. These girls were good sports, being very patient with everyone who came by to say hi. Louise especially enjoyed getting ear rubs!

We've had several fundraising opportunities, including the Evergreen Preschool kids carnival, with minis in costume, and a ranch visit from the Daly Elementary School. The kids had fun learning about horses and donkeys.

Our participation in the recent 50-mile Garage Sale, combined with our own popular tack sale, was a great fundraiser that added to our hay fund. We also brought our minis to a few kids birthday parties and they were a big hit.

Check our Upcoming Events on the next page to see where we'll be the rest of the summer.

Thank you to all the volunteers who came out to help staff our booth and talk to the community about our rescues and our various programs and activities.

We couldn't do it without you!

This years Faces of Rescue paintings will be revealed at the Celtic Games & Gathering at the Daly Mansion August 19 & 20.
